

THE BIG MEET5: National design review conference

29 April 2016

10:00 - 17:00

hosted at UCL, kindly sponsored by Barratt Developments Plc. and organised with the help and support of van Bruggen Urbanism

With the demise of national funding for design review from 2013, the landscape for design review has rapidly and fundamentally changed.

The **Place Alliance** invites you to **BIG MEET 5** to reflect on this new environment and to consider the future for design review: who is providing services, how and with what resources, processes and outcomes, and how should we seek to shape provision in the new market that has emerged

Ben van Bruggen (van Bruggen Urbanism), **Amy Burbidge** (North Northamptonshire Joint Planning Unit), **Victor Callister** (DC Cabe), **Ludo Campbell Reid** (Design Champion Auckland Council), **Prof Matthew Carmona** (UCL), **Heather Chapple** (Architecture & Design Scotland), **Carole-Anne Davies** (Design Commission for Wales), **Cllr Amanda de Ryk** (LB of Lewisham), **Max Farrell** (Farrell), **Andrew Forth** (RIBA), **Mary Laheen** (MAG for Architecture and the Built Environment in Northern Ireland), **Nigel Longstaff** (Barratt Developments plc.), **Robin Nicholson** (Cambridgeshire Quality Panel), **Mark Pearson** (Design Action, Devon and Cornwall), **Richard Simmons** (UCL), **David Tittle** (Design: South East), **Leanne Tritton** (ING MEDIA), **David Ubaka** (CIHT Urban Design panel)
